### First Time Users

Please visit [www.sprintdss.com](http://www.sprintdss.com) and select "Create" your Business Solutions Account. Pre-registration prior to your scheduled date/time is highly recommended. With pre-registration, you will be emailed conference information and a reminder before your scheduled training session. For those that like to register the day of session, please click on "Public Events" and locate the specific training session for the day, then click "Attend". Thank you.

Please contact your Local Account Rep or Solutions Consultant for additional information regarding this training or any of Sprint Nextel's Products and Services.
